1. Commercial Terms & Capacity

This Power Purchase Agreement ('Agreement') is entered into as of January 15, 2025, by and between GridCo State Power Authority ('Seller') and HyperScale Infrastructure LLC ('Buyer'). Seller agrees to sell and deliver, and Buyer agrees to purchase, firm electric energy for the 100MW Data Center facility.

2. Tariff Structure & Curtailment Clause

The base electricity tariff shall be locked at \$0.058 per kWh for the first five (5) operating years. In the event of grid frequency drift below 49.8 Hz, Seller reserves the right to execute forced curtailment up to a maximum limit of 40 cumulative hours per calendar year without penalty.
